

Plant Operator

Posting Number: 001 - 2020

Job Classification: Hourly

Job Position: Plant Operator

Hours of Work: 12-hour shifts, days and nights

Job Description:

Reporting to the Production Supervisor, this position is responsible for the safe and productive operation of mine equipment following all applicable Orca Sand and Gravel Practices and Procedures.

Specific duties include:

- Patrol areas assigned to you including conveyors, all transfer chutes, hydraulic take ups, processing plant areas and conveyor systems identifying, and wherever possible correcting problems.
- Maintain good housekeeping of plant.
- To assist the Plant Operator or the Ship Loader Operator as directed in order to correct problems or assist with maintenance.
- To complete a daily check of assigned area, complete inspection form and report any problems or mechanical defects to supervisor.
- Shovelling and hosing sand and gravel resulting from spills.
- Grease the plant using grease gun and grease tubes as many as 20 shots of grease per grease fitting, up to 60 fittings to grease, once a day.
- Carrying sand and gravel (2) samples weighing 20 pounds each.
- Climbing on and off conveyors using stairs.
- Inspecting stacker conveyors at inclines of 30%.

Qualifications:

Specific qualifications include:

- Experience in a mining, quarrying, or comparable work environment.
- Ability to work with computers for system operations and lab data.
- Reading and math skills to at least high school graduation level. Must be able to work with fractions and percentages.
- Possess a valid BC Driver's license.
- Strong preference given to candidates who are familiar with conveyors, crushers, screening and other mine equipment.
- Able to work with minimal supervision.
- Must be able to pass pre-employment drug and alcohol screening and background checks.

Physical Requirements:

Must be able to carry 20-pound samples, climb ladders, and work at heights associated with conveyors and plant.

Note: This is not a camp job; must be able to live in the North Island area.
